

Dental Treatment Referral

If you have private insurance, contact your insurance provider to identify a dentist in your area.

If you have AHCCCS, please identify your plan in the column to the right. Call the number and let them know that your child has need of dental treatment and they can connect you with a dentist in your area.

If you do not have insurance, or need urgent/emergency dental treatment, identify the clinic from the list below that is closest to you and call immediately to make an appointment.
