

Transforming Lives

Keogh Health Connection was founded in 2003 by Karlene and Kevin Keogh. Keogh's mission, heart, and spirit are reflected in the lives of the people we have assisted since day one.

Keogh provides services with compassion and continues to succeed in a time of tremendous change. We advocate for the most vulnerable and have served over 200,000 individuals from diverse backgrounds. Keogh connects people to health insurance, nutrition assistance, and financial support in times of personal struggle. Keogh's extensive network of partners allows us to help clients navigate our complex health care system and directs them to critical resources.

Outreach

In 2016, Keogh Navigators reached nearly **12,500 people** informing them about our services and other available resources. We meet people in their own communities reaching them in schools, apartment complexes, barber shops, grocery stores, gyms, health fairs, hospitals and clinics, community centers and other local venues. These are the places where our clients feel most comfortable and **live, work, go to school and play.**

Enrollment

Keogh offers **FREE** enrollment assistance for AHCCCS (Arizona's Medicaid), KidsCare, Marketplace Health Insurance (The Affordable Care Act), SNAP (food stamps), and TANF (emergency cash assistance). Our Navigators are advocates and teachers who care for and support our clients on the road to **self-sufficiency.**

Community Health Workers

Keogh understands that **health** is more important than health insurance. In 2016, we began to identify and train qualified Community Health Workers/Promotores de Salud to link health care providers and patients, identify available social services, and teach healthy living and disease management. Community Health Workers are not just an extension of core clinical services; they are key to providing effective primary care and supporting our goals.

Our
Goals

Improve the
health of
individuals

Reduce
health care
costs

Create
healthier
communities

Compassion Counts

Keogh's programs depend on stability. Your contribution will help to increase our reach and help more people navigate a path to healthier lives and self-sufficiency.

Support Keogh Health Connection

Did you know that Keogh has served over 200,000 individuals and families since 2003? In 2016 we submitted 16,800 applications relating to health insurance, nutrition, and cash assistance. Your gifts make this possible.

Keogh understands that **health** is more important than health insurance. When you support Keogh Health Connection **90%** of your donation goes directly to our programs that assist the individuals and families we serve.

Ways to Give

Giving Online.

It's easy to click and give on our website keoghhealth.org.

You can offer a one-time donation or opt for our Monthly Giving Program. Simply click the **Giving Campaign** button to help us continue our mission.

Arizona Charitable Tax Credit.

Arizona's Charitable Tax Credit enables you to contribute up to \$400 (for an individual) or \$800 (married filing jointly) and receive a **dollar-for-dollar credit** on your Arizona income tax. This means you can donate to Keogh instead of paying the same amount in state taxes. You may also receive a deduction on your federal income tax.

For details, visit azdor.gov.

Giving by Mail.

Mail your contribution to
Keogh Health Connection
3620 N. 4th Ave., Suite 2-2
Phoenix, AZ 85013

Reach Out.

For more information, please visit our website at keoghhealth.org. You can also call Claudia Boyer at (602) 266.0405 (ext. 3) or email giving@keoghhealth.org.

Your support allows us to continue our mission and serve the community.
Thank You!
